### FROM THE PRES:

We had a great turn out in march & it's wonderful to see all our members. We had a great slide show last month. And will have a special presenter for April so hope you can all attend. Days are getting better now going into spring & will hope for nicer days ahead. Hope you are having a lovely Easter Holiday with family and friends and taking a nice break before heading to the work grind again.

### Show.

We did very well income wise with the Feb./16 show after all expenses were calculated & after even prizes bought. So this is fantastic for the club.

We have a lot of paid tables already for the upcoming October/16 show, And should be sold out before show time. Again I hope all the members have marked this down in their books so to come out and support the club.
